The Common Area of Tract "D" which consists of the Park is owned by the Wilderness Hollow II Homeowners' Association.

2002 010 9002386

2002 010 9002380

The 21 lots within the Wilderness Hollow subdivision will share in the use, as well as the maintenance expense of the park and its amenities. Each of the 56 lots (21 lots in Wilderness Hollow plat and 35 lots in the Wilderness Hollow II plat) will have an equal undivided right for use of the Park. Once the Declarant relinquishes the Wilderness Hollow II Homeowners' Association to the homeowners, the shared use and maintenance expense of the Wilderness Hollow and Wilderness Hollow II will commence.

All decisions relating to the Park, repairs, changes, improvements, maintenance, and costs will be decided by a Park Committee which shall consist of the Board Members of both the Wilderness Hollow and Wilderness Hollow II Homeowners' Associations. The Park Committee will represent the owners for all 56 lots and will determine how and when payment of Park Dues by the homeowners of the Wilderness Hollow plat will be performed. The Dues for the Wilderness Hollow II Homeowners' Association includes their portion of the Park maintenance fees which is estimated at \$71 per home per year. The same fee is to be established for and paid by the Wilderness Hollow homeowners. The Park Committee is responsible to adopt a set of Park rules and hours of operation. A separate account shall be opened for the Park maintenance dues and management of the Park. After the first two years of operation, the Park Committee shall reevaluate the park fees to determine if they should be adjusted to better meet the needs of the park.

Any damages to the Park of improvements thereon, including landscaping plantings, fences, sport court, tot lot, etc., . . . by the Owners or their children shall be repaired within one (1) week by the Owners who (or whose children) caused the damages. If the damage cannot reasonably be repaired within one week, the time for the Owner to repair the Property shall be extended to the time reasonably required to repair the property (as determined by the Park Committee), provided that the Owner promptly begins, and diligently pursues the repair of the damage. If such repairs are not made timely, the Park Committee shall execute the repair and the Owner will be obligated to immediately pay the Park Committee or its designee for the repair. If the Owner fails to promptly make payment for such repairs, the Owner will be charged interest at the rate of 12 percent (12%) per annum on the payment due, the payment shall be a personal liability of the Owner, and the amount of the payment shall be a lien on the Owner's lot.

In such case that the Wilderness Hollow Homeowners' Association fails to pay Park fees to the Wilderness Hollow II Homeowners' Association, this joint use and maintenance statement will be null and void. In this case, the homeowners of Wilderness Hollow will relinquish all rights to access and use of the Park and its amenities. Required payment due dates, penalties, and possible extensions will be determined by the Park Committee.

Section 7 - Well in Tract "D"

Centrally located in Tract "D" (Park) is a private water well owned by the Diamond Water Association. This well serves up to four homes directly east of the Park (across SR-169). The Developer has provided chain link fencing and a lockable gate, which surrounds the wellhead, pump house, and cistern.

The on-site well and wellhead protection area shall be protected in accordance with the recorded covenants, Water Use Agreement, and Easement (Recording No. 82072104464). Consideration of the existing private

water system, including the wellhead, pump house, cistern, chain link fence and gate, and the service pipelines within pipeline easements should be taken into account prior to any digging or other improvements in the Park area.

The 100-foot radius surrounding the well is in a Wellhead Protection Area in which the use of pesticides, fertilizers, and herbicides are prohibited.

At such time that the use of the well is abandoned by all current users with legal rights to the water, all use restrictions stated above shall become null and void

**ARTICLE 7

AND
COMMON MAINTENANCE AREAS/DELEGATION OF MANAGEMENT**

Section 1 - Maintenance of Common Areas

Maintenance of the Common Areas and Common Maintenance Areas and all improvements thereon shall be the sole responsibility of the Association and shall include, but not be limited to, maintenance of the Common Areas and Common Maintenance Areas. The Association shall maintain and regulate the use of Common Areas for the benefit of each Lot within the Plat, and shall do all things necessary to preserve and maintain the Common Areas for the purpose intended. It shall be the responsibility of the Association to maintain the Common Areas of Tracts "B," "C," and "D" and any improvements thereon to preserve the value of said easement for the use and enjoyment of the Members of the Association in accordance with all restrictions and limitations established for said easement through this Declaration, the laws and ordinances of the City of Maple Valley, Washington, and all other applicable statutes and regulations. Any damage to the Common Areas or Common Maintenance Areas or improvements thereon, including landscaping plantings, fences, berms, etc., by the Owners or their children shall be repaired within one (1) week by the Owners who (or whose children) caused the damages. If the damage cannot reasonably be repaired within one week, the time for the Owner to repair the Property shall be extended to the time reasonably required to repair the Property, provided that the Owner promptly begins, and diligently pursues, the repair of the damage. If such repairs are not made timely, the Association shall execute the repair and the Owner will be obligated to immediately pay the Association or its designee for the repair. If the Owner fails to promptly make payment for such repairs, the Owner will be charged interest at the rate of 12 percent (12%) per annum on the payment due, the payment due shall be a personal liability of the Owner, and the amount of the payment due shall be a lien on the Owner's Lot.

Section 4 - Management

Each Owner expressly covenants that the Board and the Declarant, during the Development Period, and the Board, after the Development Period, may delegate all or any portion of their management authority to a managing agent, manager or officer of the Association and may enter into such management contracts or other service contracts to provide for maintenance of Common Areas and Common Maintenance Areas and any portion thereof. Any management agreement or employment agreement for the maintenance or management shall be terminable by the Association without cause upon ninety (90) days' written notice thereof; the term of any such agreement shall not exceed three (3) years, renewable by agreement of the parties for successive periods of up to three (3) years each. **ARTICLE 8
ASSESSMENTS**

Section 1 - Obligation for Assessments

Each Owner of any Lot, by acceptance of a deed therefor, whether it shall be so expressed in each deed, is deemed to covenant and agree to pay to the Association (1) annual assessments or charges, (2) special assessments for capital improvements, and (3) any assessments made by Declarant pursuant to this Declaration. If the Owner fails to timely pay any assessments within thirty (30) days of the date specified by the Association or Declarant (during the Development Period), the annual and special assessments, together with any interest, costs and any reasonable attorney fees incurred to collect such assessments, shall be a lien on the land comprising the Lot, and shall be a continuing lien upon the Lot against which such assessment is made. Each such assessment, together with any interest, costs and reasonable attorney fees incurred in attempting to collect the assessment, shall also be the personal obligation of the person who is the Owner of such Property at the time when the assessment fell due. The personal obligation for delinquent assessments shall continue even if the Owner subsequently transfers legal or equitable title to the Lot; however, the personal obligation for delinquent assessments shall not pass to the delinquent Owner's successors in ownership of the Lot unless expressly assumed by the successor(s). The Association shall record such liens in the Office of the King County Auditor.

Section 2 - Purpose of Assessments

The assessments levied by the Association shall be used exclusively to (1) promote the recreation, health, safety and welfare of the residents of the Properties, and (2) for the improvements and maintenance of the Common Areas and Common Maintenance Areas as provided in Article 6.

Section 3 - Annual Assessment

Commencing on the date of recording of the final plat of Wilderness Hollow II, the annual assessment shall be One Hundred Fifty and No/100 Dollars (\$150.00) per Lot; 20 percent (20%) of which shall be allocated and paid to the Declarant for Plat management services provided by the Declarant (or by a professional management firm hired by Declarant) to the Association. Such allocation of funds to the Declarant shall cease when the Development Period expires and the Association assumes collection costs, bookkeeping, and other management responsibilities which are described with particularity in the Bylaws of the Association. The balance of the annual assessment shall be used by Declarant during the Development Period, and by the Association after the Development Period, for maintenance, repair, and other purposes permitted by this Declaration.

The annual assessment may be increased after December 31, 2002, during the Development Period to reflect increased (1) maintenance costs, (2) repair costs, or (3) Plat management costs. All increases during the Development Period must directly reflect increases in the above recited costs. During the Development Period, the Declarant shall have the authority to reduce the annual assessments if economic data supports such a reduction because of reduced maintenance costs or other anticipated Association expenses.

- a After the Development Period expires, the maximum annual assessment may not be increased each year more than 10 percent (10%) above the maximum assessment for the previous year without a vote of the membership pursuant to Article 8, Section 3(b) of this Declaration
- b After the Development Period expires, the maximum annual assessment may be increased by more than 10 percent (10%) (over the previous years' maximum annual assessment) only if two-thirds (2/3) of the members of the Association, who are voting in person or by proxy at a meeting duly called for this purpose, consent to such an increase
- c After the Development Period expires, the Board of Directors shall fix the annual assessment in accord with the above-recited standards.

Section 4 - Special Assessment for Capital Improvements

In addition to the annual assessments authorized above, the Association (or during the Development Period, the Declarant) may levy, in any assessment year, a common assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas or Common Maintenance Areas not prohibited by this Declaration, including fixtures and personal property related thereto, provided that any such assessment for those capital improvements or repairs exceeding Five Thousand and No/100 Dollars (\$5,000 00), shall have the assent of two-thirds (2/3) of the members of the Association who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5 - Notice and Quorum for any Action Authorized Under Sections 3 and 4

Written notice of the place, day, hour and purpose of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 of this Article shall be sent to all members not less than thirty (30) days nor more than fifty (50) days in advance of the meeting. At the first meeting called, the presence of two-thirds (2/3) of the members of the Association or of proxies entitled to cast two-thirds (2/3) of the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. In the event that a quorum is still not achieved at the second meeting, then the Declarant, during the Development Period, shall have the sole and exclusive authority to initiate a special assessment and carry out capital improvements more fully described in Article 8, Section 4 herein without first obtaining the approval of the required number of members of the Association as further defined in Article 8, Sections 4 and 5 herein.

2002 010 9002380

Section 6 - Uniform Rate of Assessment

Both annual and special assessments arising under Article 8, Sections 3, 4, and 11, must be fixed at a uniform rate for all Lots, provided, however, that, as stated in Article 8, Section 10, any unimproved Lot owned by the Declarant shall not be subject to any assessments or charges described in this Declaration and all or any other assessments that may be levied in the future for any purpose whatsoever. Assessments shall be collected on a monthly, bi-monthly, quarterly, or annual basis as determined by the Declarant during the Development Period, or by the Association for periods after the Development Period.

Section 7 - Date of Commencement of Annual Assessment; Due Dates

The annual assessments described in this Article shall commence upon recording of the plat of Wilderness Hollow II, subject to the exemption set forth in Section 10. Written notice of any change to the annual assessment shall be sent to every Owner subject to such assessments. The due date shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8 - Effect of Non-Payment of Assessments; Remedies of the Association

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 12 percent (12%) per annum. Each Owner hereby expressly vests in the Declarant during the Development Period, or the Association after the Development Period, or their agents the rights and powers to bring all actions against such Owner personally for the collection of such assessments as debts and to enforce lien rights of the Association by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in like manner as a mortgage of real property. Such Owner hereby expressly grants to the Declarant or to the Association, as applicable, the power of sale in connection with such liens. The liens provided for in this Section 8 shall be in favor of the Association and shall be for the benefit of the Association. The Association shall have the power to bid in an interest at foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Owner is responsible for payment of all attorney fees incurred in collecting past due assessments or enforcing the terms of assessment liens (see Article 16, Section 5). No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Areas, Common Maintenance Areas or abandonment of his Lot.

The Association shall have the right to suspend the voting rights and enjoyment of Common Areas (see Article 6, Section 1[b]) of an Owner for any period during which any assessment against the Lot remains unpaid and for a period not to exceed sixty (60) days per infraction for any infraction of the terms of either this Declaration, the Articles or the Bylaws of the Association.

2002 010 9002380

Section 9 - Subordination of the Lien to Mortgage

The lien for assessments, provided for in this Article, shall be subordinate to the lien of any first mortgage or first deed of trust ("first mortgage") Sale or transfer of any Lot shall not affect the assessment lien However, the sale or transfer of any Lot pursuant to a mortgage foreclosure, or any proceeding in lieu thereof, or the first mortgage holders acceptance of a deed in lieu of foreclosure, shall extinguish the lien created pursuant to this Article as to payments which become due prior to such sale or transfer No sale or transfer, however, shall (1) relieve such Lot Owner or Lot from liability for any assessments thereafter becoming due nor from the lien thereof, nor (2) shall relieve the delinquent Owner from personal liability for the amount of the payments which become due prior to such sale or transfer, and for costs and attorney fees

Section 10 - Exempt Property

All property dedicated to and accepted by local public authority shall be exempt from the assessments provided for in this Article, along with all Common Areas Lots within Wilderness Hollow II owned by Declarant, shall be exempt from any and all assessments provided for in this Declaration, as well as from any and all assessments of any kind that may be levied in the future for any purpose whatsoever, until such time said Lots are sold (conveyed) by Declarant. This Section 10 shall apply notwithstanding any other provision to the contrary in this Declaration

Section 11 - Management by Declarant During the Development Period

Declarant, at its option, shall have and may exercise during the Development Period, all the rights and powers herein given to the Association. Such rights and powers are reserved by the Declarant, its successors and assigns as provided in Article 3 Declarant shall have the right and option to assess Owners for actual costs of maintaining Common Areas, Common Maintenance Areas, and rights-of-way, and to assess a Plat management fee during the Development Period as set forth in Article 8, Section 3

All landscaping areas shall be regularly maintained and trimmed to present a clean, neat, and well-maintained appearance All refuse shall be kept in sanitary containers sealed from the view of any Lot, the containers shall regularly be emptied and the contents disposed of off the Properties No grass cuttings, leaves, limbs, branches, and other debris from vegetation shall be dumped or allowed to accumulate on any part of the Properties, except that a regularly tended compost device shall not be prohibited

2002 010 9002300

No storage of automobiles in disrepair, (automobiles that cannot be driven, or are parked for the purpose of repair or storage), snowmobiles, motorcycles, boats, trailers, campers, recreational vehicles, or other similar over-sized or recreational vehicles, shall be permitted in open view from the ground level of any Lot or right-of-way. (Automobiles in disrepair, boats, trailers, over-sized trucks, campers, and recreational vehicles shall be referred to as "Vehicles ") This provision shall exclude temporary parking (less than forty-eight [48] hours) of Vehicles on the designated driveway areas adjacent to garages on the Lots.

This section is not meant to disallow permanent (more than forty-eight [48] hours) parking or storage of Vehicles on the Lots, but if so parked or stored, such Vehicles shall be reasonably screened from view from the adjacent roadway and Lots Screening of such Vehicles must have the approval of the Committee.

"Screening" of boat, trailers, recreational vehicles, or similar vehicles in good condition shall not be construed as a requirement for complete enclosure of such vehicles, but rather that such vehicles, if parked in the rear or side yard areas, shall be reasonably screened from ground level by natural or supplemental vegetation, or a six (6)-foot, solid, cedar fence-type enclosure or permanent structure. The Committee shall have the sole authority to decide what constitutes reasonable screening

It is not the intent of this section to require screening of all such vehicles so that they are completely hidden from view by neighboring lot owners However, vehicles in disrepair, as defined in this section, shall be screened so that they are completely hidden, except for reasonable temporary repair requirements, as approved by the Committee. A vehicle shall be deemed to be in a state of disrepair when its presence and/or appearance offends the reasonable sensibilities of the occupants of the neighborhood and/or has had engines, doors, trunk lids, hoods, fenders, tires, wheels, windows, grills or any of them removed, or is otherwise inoperable No repair or dismantling of any vehicle or equipment shall be permitted on any Lot except within a garage

Upon forty-eight (48) hours notice to the Owner of an improperly parked Vehicle, the Board has the authority to have towed, at the Owner's expense, any Vehicles still visible from the right-of-way or adjacent Residences that have been parked on any Lot or within the right-of-way for more than forty-eight (48) hours

Notwithstanding the foregoing, Owners who have visiting guests intending to stay in a camper or recreational vehicle may secure written permission from the Board for such guests to park the Vehicle upon the Lot owned by the Owner for a maximum period of one (1) week. Such a privilege shall only exist, however, after written permission has been obtained from the Board

Section 2 - Easements for Enforcement Purposes

All Owners hereby grant to the Association and their representative, an express easement for the purposes of going upon the Lots of owners to remove Vehicles or other similar objects which are parked or stored in violation of the terms of this Declaration, or to perform any other maintenance or repair deemed necessary by the Board pursuant to this Article 9, or any other section in the Declaration.

Section 3 - Lot Maintenance by the Association

In the event that an Owner shall fail to maintain the exterior of his premises and the improvements situated thereon in a manner consistent with maintenance standards of the Association established through this Declaration, including maintenance of landscaping required in the adjacent right-of-way as set forth in Article 12, Section 12, the Board shall, upon receipt of written complaint of any Owner and the subsequent investigation which verifies that complaint, have the right through its agents and employees to enter upon the offending Owner's Lot and repair, maintain and restore the Lot and exterior of the improvements on that Lot if the Owner shall fail to respond in a manner satisfactory to the Board within forty-five (45) days after mailing of adequate notice by certified mail to the last known address of the Owner. The cost of such repair, maintenance or restoration shall be assessed against the Lot, and the Board shall have the right to cause to be recorded a notice of lien for labor and materials furnished, which lien may be enforced in the manner provided by law for enforcement of labor liens and materialman's liens. In the event that the estimated cost of such repair should exceed one-half of one (0.50) percent (0.50%) of the County Tax Assessor assessed value of the Lot and improvements on the Lot, the Board shall be required to have the assent of two-thirds (2/3) of the Members before undertaking such repairs.

Declarant, the Association, or the duly appointed agent of either may enter upon any Lot, which entry shall not be deemed a trespass, and take whatever steps are necessary to correct a violation of the provisions of this Declaration, provided, this provision shall not be construed as permission to breach the peace.

Should a Lot Owner object to the complaints of the Declarant, the Association or ACC in writing within a period of fifteen (15) days after the complaint is made and, further, should the parties not agree on property maintenance or other matters complained of, the matter shall be submitted to arbitration. The arbitration shall be binding upon the parties. If the parties cannot agree upon an arbitrator, each party shall choose one arbitrator and they, in turn, shall choose a third. The arbitration shall be conducted in accordance with the rules of arbitration under the laws of the State of Washington in existence at the time of any such arbitration.

Section 4 - Enforcement During the Development Period

During the Development Period, the Declarant may elect to exercise and perform the functions of the Board. If the Declarant elects not to perform this function, the Declarant may appoint the Temporary Board to function as provided herein.

Section 5 - Enforcement for Noncompliance With This Declaration

In the event that an Owner shall fail to comply with any section or provision of the Declaration, and any Amendments thereto, the Board may undertake to enforce compliance through the provisions of Section 3 herein, as well as Article 16, Section 4 of the Declaration, or any other authority granted to the Board through this Declaration. If such noncompliance occurs prior to occupancy of any structure on said Owner's lot, the Board shall also have the right to place a "stop work" order on said construction, which may also be enforced by the local building officials at the request of the Board. Any Owner subject to such noncompliance does hereby agree not to oppose such stop work order, with the understanding that construction may not commence until compliance with the provisions of this Declaration is assured.

- b Class "B" - Class "B" member(s) shall be the Declarant (as defined in this Declaration), and shall be entitled to three (3) votes for each Lot owned. Except as provided in this section, all meetings of the Board of Directors shall be open for observation by all Owners of record and their authorized agents. The Board of Directors shall keep minutes of all actions taken by the Board, which shall be available to all Owners. Upon the affirmative vote in open meeting to assemble in closed session, the Board of Directors may convene in closed executive session to consider personnel matters; consult with legal counsel, or consider communications with legal counsel, and discuss likely or pending litigation, matters involving possible violations of the governing documents of the Association, and matters involving the possible liability of an Owner to the Association. However, any signs larger than six (6) square feet per face shall be subject to approval by the Declarant during the Development Period and the Association after expiration of the Development Period.

- b. The Declarant may, but is not required, to establish, for the duration of the Development Period, signage guidelines and standards for Lot identification signs, realtor identification signs, "for sale" signs, and other signage that may be placed by Owners or parties other than the Declarant on any part of the Lots within Wilderness Hollow II, the Common Areas, Common Maintenance Areas, or public rights-of-way. The Declarant may, but is not required, to also develop an overall theme for signage within the project, including specific requirements for physical sign installations and size requirements, which theme will then become part of the established guidelines and standards for signage in Wilderness Hollow II during the Development Period. In the event such guidelines are established, the Declarant shall make the signage guidelines and standards available upon request to Lot Owners and their representatives, including both builders and real estate agents of Lot Owners.

During the Development Period, the Declarant shall have the sole and exclusive right to approve, in the Declarant's sole discretion, any and all signage installations within any part of the real property encompassed within the Plat of Wilderness Hollow II, including the adjacent rights-of-way. - c. The Board may cause any sign placed on Properties, in violation of this Article 12, Section 8, to be removed and destroyed without compensation of any kind to anyone including, but not limited to, any persons having an ownership interest in the sign. This section shall not apply to signage placed by Declarant (See Article 12, Section 8[d])
- d. Additional signage may be installed by Declarant during the "Development Period" to promote the sale of Lots or houses, and to promote Declarant's project and company. Notwithstanding anything in this Section 8 to the contrary, signs placed by the Declarant shall not be subject to any sign restrictions, and specifically shall not be subject to the limitation set forth in this Section 8(a) on the number of signs and the size of signs. The Declarant shall not be subject to any guidelines or standards established by Declarant for other parties pursuant to this Section 8(b). The Declarant has the authority to approve larger signs by builders/contractors for the purpose of general advertising not specifically related to an individual Lot or residence. This approval shall extend to the content, size, colors, and location of such signs. In all cases, approval of such special signage shall be at the sole and exclusive discretion of the Declarant.
- e. The Declarant further reserves the option to include the identification of C & M Development Partners, LLC, on the entry monument signage for the Properties at the time of installation of said entry monumentation. This identification may be "A C & M Development Partners, LLC, Community." Once installed, the Association shall be responsible to maintain this signage and identification in good condition, along with the Plat identification signage for the duration of these Covenants, Conditions and Restrictions as provided for in Article 16, Section 1, or until such time as C & M Development Partners, LLC, consents or elects to remove this identification. Each Owner hereby covenants that this section of the Covenants, Conditions and Restrictions shall not be amended without the express written approval of C & M Development Partners, LLC, even after expiration of the Development Period.

Section 9 - Delegation of Use and Responsibilities

Any Owner may delegate, to members of his family or his tenants, in accordance with the Bylaws of Wilderness Hollow II Homeowners' Association, the Owner's right of enjoyment of Common Areas and Common Maintenance Areas. In the event an Owner rents or leases his Property, a copy of this Declaration, as well as any rules and regulations that may be adopted by the Association, shall be made available by the Owner to the prospective renter at the time of commitment to the rental agreement. Each Owner shall also be responsible for informing guests and service personnel of the contents of this Declaration, as well as any rules

Each Owner personally, and the Owner's Lot, shall be responsible for any damages to any Common Areas and Common Maintenance Areas (or any other area maintained by the Association) or to any other Association property, whether real or personal, caused by an Owner's family, guest, tenant, agent, workman, contractor or other licensee or invitee. - h. Failure of Mortgagee to Respond - Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested

Excessive glare shall be defined as any high intensity lighting used to illuminate large areas for the purpose of outdoor activities. Any such lights shall be properly shielded to avoid direct glare onto adjoining residences or streets, and shall also be turned off after 11:00 p.m. until 7:00 a.m., unless otherwise directed by the Committee.

This restriction on outdoor lighting shall not in any way be construed to limit the right of any Lot Owner to install exterior lighting on structures and within yard areas for security purposes, or to install specialty lighting, such as, but not limited to lighting associated with holidays, such as Christmas. The limitation on the hours of operation of high intensity lighting shall not apply to other lighting, as set forth herein.

**ARTICLE 13

Section 1 - Size/Height Restrictions

No Residence shall be constructed which exceeds the allowable height set forth in the applicable City of Maple Valley/King County Zoning Code for this zone. No single structure shall be altered to provide residence for more than one (1) family. Rambler-type residences (residence consisting of a basement and one story, or residence consisting of a single-story) shall contain at least 1,400 square feet. Multi-story residences (residence consisting of a basement and two stories, or residences consisting of two stories) shall contain at least 1,700 square feet. In computing the total square footage of a residence, the basement shall not be included, nor shall garages or enclosed decks be included.

The size of a home constructed on any Lot shall be subject to review and approval by the Committee, in the Committee's sole discretion. It is the express intent of this Section 1 to enable the Committee to evaluate all aspects of a proposal for a home on a Lot, including size, elevation, architectural style, landscaping, location within the Plat, and other factors to determine its acceptability, pursuant to Article 15.

Section 2 - Building Materials

All homes constructed on each Lot shall be built of new materials, with the exception of "decor" items such as used brick, weathered planking, and similar items. The Committee will determine whether a used material is a "decor" item. In making this determination, the Committee will consider whether the material harmonizes with the aesthetic character of Wilderness Hollow II development and whether the material would add to the attractive development of the subdivision. All roofs are to be 25-year architectural composition Tabco premier pewter grey or similar.

All siding and trim are to be resawn wood, stucco, drivit, "LP"-type siding, Hardie-Plank concrete, or similar material, all of a color approved by the Committee. Section 3 - Building Setbacks

No structures shall be located within twenty (20) feet of the front lot line or nearer to the front or side street lot line than minimum dwelling setback lines required by relevant public zoning ordinance. For the purpose of this Covenant, eaves, steps, chimneys, and open porches shall not be considered as part of the dwelling, provided, however, that this shall not be considered to permit any portion of a dwelling on a Lot to encroach upon any required setbacks by local codes, or to encroach upon another Lot or upon any easements indicated on the face of the Plat or as otherwise recorded, or upon the Common Areas or Common Maintenance Areas. In no event shall any structures violate any provisions of any applicable building or zoning ordinance, or any specific setbacks as set forth on the recorded Plat map, or any setbacks imposed through the establishment of easements for utilities or access.

Section 4 - Driveways

All driveways shall be paved with asphalt concrete paving, or exposed aggregate concrete, unless otherwise approved by the Committee.

Section 5 - Contractor

Without the prior approval of the Committee, no home may be constructed on any Lot other than by a contractor licensed as a general contractor under the statutes of the state of Washington.

Section 6 - Masonry Construction/Driveway Pilaster Requirement

Unless otherwise approved by the Committee, each primary residence in the Property shall incorporate a brick masonry, stucco, stone, river rock, or similar material of a type approved by the Committee, on the front facade. For columns at the entry to a home, masonry on the sides and rear will count toward this requirement.

Section 7 - Fireplace Chimneys

No metal flues nor metal chimneys will be allowed on any residences or other buildings constructed on any Lot, unless enclosed within appropriate wood or masonry materials. However, a metal flue for a direct-vent gas fireplace is allowed.

Section 8 - Maximum Structure Height Limitations/View Preservation

Not Applicable

Section 9 - Drainage Control Over Slopes

Not Applicable

Section 10 - Garages

Each Residence shall incorporate a minimum two (2)-car garage designed and constructed as an integral part of said Residence. In special circumstances, a detached garage may be approved by the Committee. Three (3)-car garages are encouraged within the development to include provisions for the storage of recreational vehicles or boats within the garage enclosure.

Section 11 - Fence and Walls

Fences, walls or hedge rows are only permitted on side and rear property lines, excepting that wrought-iron fencing around front yards may be allowed upon approval of the Committee. However, no such fences, walls or hedge rows shall be allowed on any side or rear property line closer to the street right-of-way line than the adjacent residential structure, unless specifically approved by the Committee. For corner Lots, this applies to both street frontage measurements. Fences, walls and hedge rows are not permitted on front property lines, or on side street property lines for corner Lots, except as may be otherwise approved by the Declarant as part of the subdivision improvements, unless otherwise approved by the Committee. All fences installed on any Lot shall be six (6)-foot solid cedar fencing of a type and quality approved by the Committee. No barbed wire, chain-link, or corrugated fiberglass fences shall be erected on any Lot, except that chain-link fencing for sports facility enclosures may be considered for approval by the Committee upon individual request. All fences must be approved by the Committee prior to installation. The Committee may make available a standard detail for fence construction, which must then be used by all Lot Owners, unless a specific variance from this standard is approved by the Committee in writing. The Committee shall also approve the colors for fence installations. Any fencing installed in the Plat on any Lot which does not meet the standards set forth by the Committee, shall be removed at the Owner's expense upon demand by the Committee.

Section 12 - Landscaping Standards

The entire front yard, including up to the edge of the curb in the adjacent right-of-way fronting any Lot within Wilderness Hollow II shall be landscaped in accordance with the provisions of this Section 12. At least five hundred (500) square feet of this front yard area shall be grass lawn, unless otherwise approved by the Committee. The landscaping shall be installed within sixty (60) days of the receipt of a Certificate of Occupancy, or within eight (8) months from the date that construction is initiated, whichever date is earlier. If inclement weather conditions prevent the timely installation of said landscaping improvements, the Lot Owner must make application to the Committee for an extension of time until weather conditions sufficiently improve. For corner Lots, the "front yard" shall mean the frontage on both streets, such that both street frontages and yards must be landscaped.

2002 010 9002380

"Front yard" shall be defined as the lot area extending from the front right-of-way line back to a line measured parallel with the front right-of-way line, which would coincide with the front wall of the main dwelling on the Lot, exclusive of any garage projections

The front yard landscaping shall include all of the adjacent street right-of-way area along the lot frontage out to the edge of the sidewalk, shoulder, or paving in the street. Each Lot Owner shall be responsible for installing and maintaining the landscaping within this adjacent right-of-way

Section 13 - Plan Checks/Construction Cleanup Fee

Each Lot Owner shall be required to clean up the Lot within ten (10) days of receiving a Certificate of Occupancy. Such Lot Owners shall, upon application to the Committee for approval of house plans, be required to pay a Three Hundred Fifty and No/100 Dollars (\$350.00) fee to the Committee to be used as follows.

- a Fifty and No/100 Dollars (\$50.00) for house plan check as provided in Article 15, Section 9, and
- b Three Hundred and No/100 Dollars (\$300.00) as a damage deposit to be held without interest until house construction is complete. The damage deposit will be used in the event the Owner does not comply with all construction standards, clean-up standards, and landscape installation and maintenance standards contained in Articles 12 and 13 of this Declaration (the "Completion Standards")

If the Owner does not comply with the Completion Standards, the Committee may handle the clean-up, landscape installation or maintenance, or any other actions required to bring the construction and Lot completion into compliance with this Declaration.

The cost of any actions taken by the Committee pursuant to this section shall be deducted from the Three Hundred and No/100 Dollars (\$300.00) deposit. If the cost of the actions taken by the Committee, pursuant to this section, exceeds the deposit, the additional expense shall be the personal obligation of the Owner of the Lot, a lien upon the Lot, an "other charge" for purposes of Article 16, Section 6, and shall be paid to the Association upon demand.

Notwithstanding anything in this section or the Declaration to the contrary, neither the Declarant nor the Committee shall be obligated to take any action required to clean up a Lot, nor to bring a residence, landscaping, or other improvements on a Lot into compliance with the Completion Standards nor with other requirements of this Declaration. The Declarant or the Committee may take such action as the Declarant wishes, however, any action taken by the Declarant or the Committee shall not impose any requirement on the Declarant or the Committee to initiate or complete any other actions necessary or advisable to clean up the Lot or otherwise bring the construction and landscaping into compliance with the Completed Standards and this Declaration.

Once all of the construction on a specific Lot has been completed by the Owner, including all required landscaping improvements on site and within the adjoining rights-of-way as set forth in this Declaration, the Owner may request a refund of the Three Hundred and No/100 Dollars (\$300.00) damage deposit.

2002 010 9002380

2002 010 9002386

Within thirty (30) days from receiving said notice, the Committee, or designated representative, shall conduct a site inspection to verify that the Owner appears to have met all Completion Standards, as defined in this section. If all Completion Standards appear to have been met, then the damage deposit shall be returned to the Owner within ninety (90) days of the original date of the Committee's receipt of the request for the refund

Return of all or any portion of the damage deposit shall not under any circumstances constitute a representation or warranty by the Declarant or by the Committee to the Owner, other Lot Owners, the Association, or anyone else, either (1) that the Completion Standards have been met, or (2) that any other requirements of this Declaration has been complied with

If any part of the deposit may be required to fulfill Completion Standard requirements, then (1) the damage deposit may be applied to the cost of clean-up as set forth in this section, and (2) the Committee shall give the Owner written notice specifying the reasons for the denial of the refund This section shall also apply if the clean-up costs exceed Three Hundred and No/100 Dollars (\$300 00)

- c During the Development Period, Declarant shall have the right to waive these fees at Declarant's sole discretion.

Section 14 - Permits

No construction or exterior addition or change or alteration of any structure may be started on any portion of the Properties without the Owner first obtaining a building permit and other necessary permits from the proper local governmental authority, and written approval of such permits from the Board, Committee, or the Declarant, as well as plan check approval as set forth in Article 15, Section 8.

Section 15 - Codes

If the Declarant is acting as the Committee, the Declarant shall have all authority and perform all functions given to the Committee by these Declarations and applicable law, all references to "Committee" in this Article 15 shall apply to the Declarant while acting as the Committee.

If the Declarant is still a voting member of the Association but elects not to act as the Committee, then (1) if the Development Period has not ended, Declarant shall appoint a Committee to function as the Committee and (2) after the Development Period, the Board shall appoint the Committee. At such time as the Declarant is no longer a voting member of the Association, the Board shall have the authority to appoint the Committee provided for by this Article 15. The Committee, when appointed, shall consist of not less than three (3) and not more than five (5) Members. It is not a requirement that Members of the Committee be (1) Owners or (2) Members of the Association.

If the Declarant is still a voting member of the Association, but has elected to relinquish its management authority to the Board, pursuant to Article 3, Section 1, then Declarant shall still act as the Committee, pursuant to this Section 1, until such time as Declarant elects not to act as the Committee, or until such time as the Declarant is no longer a voting member of the Association.

No exterior addition, structural alteration, or exterior structures of any kind may be made until plans and specifications showing the nature, kind, shape, height, materials and location of the proposed structure or alteration have been submitted to and approved, in writing, by the Committee. The Committee shall also review proposals to change the exterior color of homes in the Plat. The Committee shall determine whether the exterior design and location of the proposed structure, alteration, or color change harmonizes with the (1) surrounding structures, (2) surrounding natural and built environment, and (3) aesthetic character of other homes in the Plat.

An election to fill either a newly created position on the Committee or a vacancy on the Committee requires the vote of the majority of the entire Board. However, the Board is not obliged to fill a vacancy on the Committee unless the membership of the Committee numbers less than three (3) persons.

Section 4 - Designation of a Representative

The Committee may unanimously designate one or more of its members or a third party to act on behalf of the Committee with respect to both ministerial matters and discretionary judgments. The decisions of such individuals are subject to review by the entire Committee at the request of any member of the Committee.

- g A plot plan at a scale of one inch equals 20 feet (1" = 20') shall be required, which shall include topography information if the Lot has a grade difference from one side to another of more than ten (10) feet. The plan shall also include specific details of front and side yard landscaping improvements extending up to the edge of the street paving on the lot frontage
- h The submittal to the Committee must be accompanied by the information summary sheet attached as Exhibit "A" to this Declaration. All information requested must be included on the summary sheet for the Committee to be able to consider the submittal complete. The time period allowed for review by the Committee as set forth in Section 12 herein shall commence once the submittal is considered complete.

Section 9 - Plan Check Fee

All individuals submitting plans to the Committee shall be obliged to pay a reasonable plan check fee to cover the administrative costs of reviewing such development proposals. It will be necessary to pay the plan check fee upon submitting plans and specifications to the Committee. A plan check fee of Fifty and No/100 Dollars (\$50.00) will be charged to review plans and specifications for Residences. A fee of Twenty-five and No/100 Dollars (\$25.00) will be charged for the review of other structures. After the Development Period, the review fees may be changed by vote of a majority of the Board, to cover reasonable review costs.

Section 10 - Evaluating Development Proposals

The Committee shall have the authority to establish aesthetic standards for evaluating development proposals. In addition to such standards, in evaluating development proposals, the Committee shall determine whether the external size, design, color, building materials, appearance, height, configuration, location on the Lot, and landscaping of the proposed Lot (the "design elements") harmonize with (1) the various features of the natural and built environment, (2) the aesthetic character of the other homes in Wilderness Hollow II, and (3) any other factors which affect the desirability or suitability of a proposed structure or alteration (collectively the "approval factors"). The Committee shall decline to approve any design in which (1) the design elements fail to harmonize with the approval factors described in the previous sentence or which fail to meet any aesthetic standards promulgated by the Committee, (2) impacts adversely on nearby Properties and Common Areas, or (3) is of a temporary or non-permanent nature. Committee determinations may be amended by a majority vote of Committee members.

Section 11 - Exclusions

So long as the Declarant is either a Class "A" or Class "B" voting member of the Association, the Declarant shall have the right to waive the plans and specifications review for builders in Wilderness Hollow II. Any such waiver shall not exempt said builder from any of the standards or restrictions articulated in this Declaration, and all structures and improvements shall meet all standards and restrictions contained in these Declarations, subject to any variations approved by the Committee

Section 12 - Approval Procedures

Within fourteen (14) days after the receipt of a complete application, including all required information, and plans and specifications, the Committee shall approve or disapprove the proposed structure. The Committee may decline to approve plans and specifications which, in its opinion, do not conform to restrictions articulated in this Declaration and criteria (including those in this Article 15, Section 10) or to its aesthetic standards. The Committee shall indicate its approval or disapproval on one of the copies of the plans and specifications provided by the applicant and shall return the plans and specifications to the address shown on the plans and specifications. In the event that no disapproval of such plans and specifications is given within fourteen (14) days of submission, then the plans shall be deemed to be approved. In any event, the Association shall hold the Committee members (and the Declarant, if acting as the Committee) harmless from any actions taken (or actions not taken) relative to the approval, disapproval, or non-action on any plans submitted for review. "Non-action" on the part of the Committee shall not exempt the applicant from any of the provisions of this Declaration or the restrictions articulated herein. By purchasing a Lot in Wilderness Hollow II, the Owners agree that, to the extent permitted by law, the Declarant shall have no liability to the Owners or the Association for any actions taken, or actions not taken, while acting as the Committee.

Section 13 - Compliance with Codes/Environmental Laws

In all cases, ultimate responsibility for satisfying all local building codes and requirements rests with the Owner and contractor employed by the Owner. The Committee has no responsibility for ensuring that plans and specifications which it reviews comply with local building codes and requirements. The Owner shall hold the Committee members (and Declarant) harmless in the event that a structure which the Committee (or Declarant) authorizes fails to comply with relevant building and zoning requirements or these covenants and restrictions contained herein. No person on the Committee or acting on behalf of the Committee, nor the Declarant acting as the Committee, or anyone acting on behalf of the Declarant, shall be held responsible for any defect in any plans or specifications which are approved by the Committee or Declarant nor shall any member of the Committee or any person acting on behalf of the Committee or Declarant be held responsible for any defect in a structure which was built pursuant to plans and specifications approved by the Committee, or by the Declarant.

Neither the Declarant, the Committee, nor any member of the Committee, nor the Association, nor anyone acting on behalf of the Committee or the Association, shall have any responsibility for compliance by Owner (or any agent, representative, guest, or invitee of Owner) with any environmental laws, regulations, or rules, including, but not limited to, those relating to hazardous waste and placement of underground oil storage tanks.

2002 010 9002386

Section 14 - Variations/Final Authority of the Committee

The Committee shall have the authority to approve plans and specifications which do not conform to these restrictions in order to (1) overcome practical difficulties or (2) prevent undue hardship from being imposed on an Owner as a result of applying these restrictions, or (3) to accommodate particular aspects of an application for approval, which when taken in context with the overall proposal by a Lot Owner, does not, in the Committee's sole discretion, have a significant detrimental effect on the Plat or nearby Lots

For purposes of approval of architectural design requirements, structure placement and all other aspects of review authority granted to the Committee and the Declarant through this Declaration, the decision of the Committee and the Declarant shall be final. The Committee shall have the sole and exclusive authority to deny approval for any construction in the Plat of Wilderness Hollow II, so long as it is the decision of the Committee that such construction will be detrimental to the community of Wilderness Hollow II and/or the lots immediately adjacent thereto. This shall include the right to deny proposed construction which meets the basic minimum requirements of the Declaration, but is substantially out of character or design with the theme of Wilderness Hollow II and/or the majority of construction already approved within the development, or the construction already approved on adjacent or nearby lots

Section 15 - Enforcement

The Association (including the Declarant on behalf of the Association), Board, or any Owner shall have the right to bring suit for judicial enforcement of a determination of the Committee, or, after the Development Period, to seek an order requiring the Committee to exercise its authority, and perform its functions, under this Article 15. In any judicial action to enforce a determination of the Committee, the losing party shall pay the prevailing party attorney fees, expert witness fees, and other costs incurred in connection with such a legal action or appeal (see Article 16, Section 5)

Enforcement by the Association may also include placement of a "stop work" order on any construction that does not comply with the provisions of this Declaration, including, but not limited to, construction that is started by any Owner without first complying with the provisions of this Article 15 for architectural review. This action may be taken by the Association as deemed necessary in accordance with the provisions of Article 9, Section 4 herein.

The authority to take action under the provisions of this section shall further extend to failure of any Owner to pay the required review fees and submit the necessary plans and specifications required by the provisions of this section to the Association, prior to commencing with any work on said Owner's Lot

Section 16 - Committee/Declarant Liability

The Association, and all Owners, shall hold the Committee members and the Declarant, if acting as the Committee, harmless from any actions taken (or actions not taken) under any section of this Declaration, including, but not limited to, actions taken (or not taken) under Articles 12, 13 and 15 of this Declaration. By purchasing a Lot in Wilderness Hollow II, the Owners agree that, to the extent permitted by the law, neither the Declarant (nor any officer, director, or representative of Declarant), nor the Committee (nor any member of the

2002 010 9092380

Committee) shall have any liability to the Owners or to the Association for any actions taken, or actions not taken, while acting as the Declarant or the Committee under this Declaration

"Non-action" on the part of the Committee or the Declarant shall not exempt the applicant from any of the provisions of this Declaration or restrictions contained in this Declaration.
